TELEGRAPH

EVENING 11,955

FEB 22 1962

AROUND the
TOWN

Even the huge and vigilant newspapers
where they have ample staffs can come up
with "boners"

~~The New York Times~~ last week, on page
one, in a story on the ~~CIA~~ shakeup reported
that Assistant Director Robert ~~Armory~~ would
be retained. Nashua friends of the young
man were quick to note this, and that ~~this~~
name is Amory.
